

Quick way to find exams that have been transferred via IUH Radiology Cloud during the last 5 days

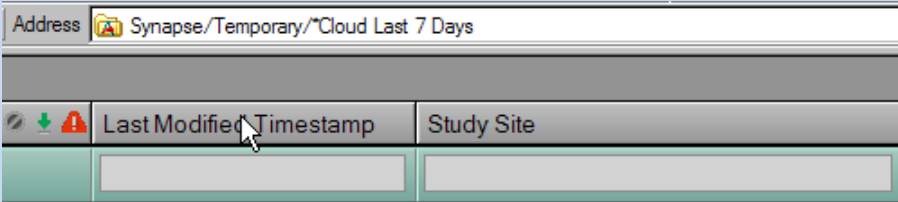

“Outside Exams” has replaced what was called “Temporary”.

Exams in “Outside Exams” will be stored for 7 years.

Opening an exam in “Outside Exams” will link to other exams on the same patient stored in the Main Synapse PACS database.

Click twice on first column in “Cloud Last 5 Days”

All Cloud exams now sorted chronologically based on arrival time
