IU Health Radiology Cloud and how to find the exams on Synapse PACS - Look in **Outside Exams**!

IU Health Radiology **Synapse** PACS has several databases (see next page). The database "IU Health" stores 12 different IUH Hospitals (see next page). "IU Arnett" and "IU White MH" have their own databases.

IU Health Radiology Cloud
Several hospitals, not on the IUH network and Synapse PACS, can transfer exams from their own PACS to Synapse PACS (see listing on next page). The exams are sent to the part of Synapse named "**Outside Exams**" All exams on **Outside exams** can be viewed from any PC within IU Health.

Exams imported from CD - Exams loaded from CDs are also stored in **Outside Exams**.

LINKING OF ALL DATABASES
IU Health Synapse databases and **Outside Exams** are linked.
When you open an exam in **Synapse** an exam on the same patient, but stored in **Outside Exams**, will be displayed in the exam list. When you open an exam in Outside Exams, an exam stored in Synapse, will be displayed in the exam list.
