# Synapse Mobility
Quick Start Manual for IOS Devices

The Synapse Mobility thin client server is provided to all IUH Synapse PACS users by the
PACS Workgroup,
IUH Radiology Department

Comments and questions can be addressed to the RIS Team at
risteam@iuhealth.org

Acute problems with the Mobility client should be addressed to the
HelpDesk 962-2828

2

From App Store download and install:
"Fujifilm Synapse Mobility"
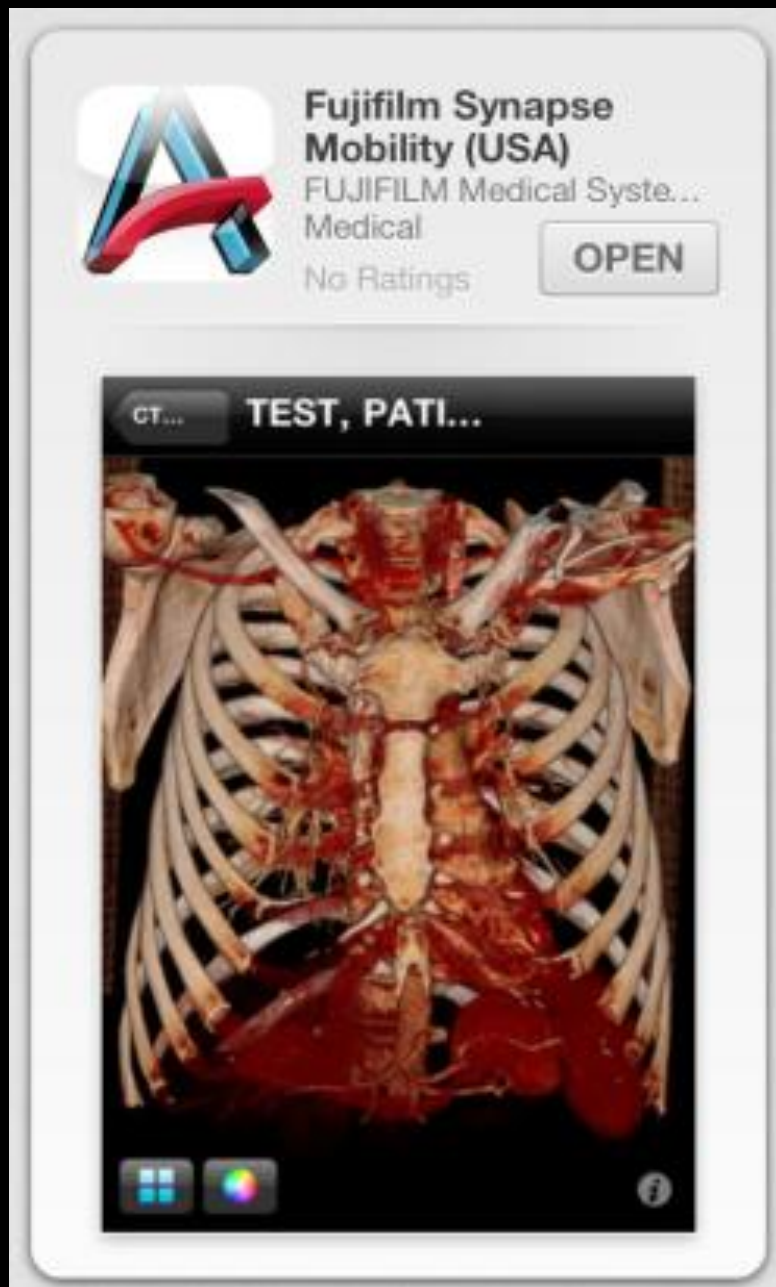

3
